RESCINDED

Transmittal

June 8, 1994

Number: 107

This rescission does not change the applicability of the conveyed document. To determine the applicability of the conveyed document, refer to the original issuer of the document.

The proposed rule setting forth the convenience and needs test for mutual-to-stock conversions published on May 3, 1994 (59 Fed. Reg. 22764) specified in error that the closing date for submission of public comments was Sunday, July 17, 1994. The intended closing date was June 17, 1994, and the attached correction notice was published on June 7 in an effort to correct that error.

However, the OTS is concerned that confusion about the closing date may not afford the public ad-

equate time to comment. Therefore the OTS is extending the comment period until July 18, 1994, as July 17 is not a business day.

This transmittal provides advance notice of the comment period extension; this action will be published in an upcoming issue of the *Federal Register*.
