INTERAGENCY CHARTER AND FEDERAL DEPOSIT INSURANCE APPLICATION

1. Overview

- (a) Provide a brief overview of the application. The overview should describe the institution's business and any special market niche, including the products, market, services, and any nontraditional activities.

Ripple Labs Inc. ("Ripple Labs"), as sponsor, acting through the named organizers, proposes to form Ripple National Trust Bank (the "Trust Bank"), a *de novo* national trust bank to be chartered by the Office of the Comptroller of the Currency (the "OCC") as set forth in this application (this "Application"). The Trust Bank will be headquartered in New York, New York and will be a wholly owned subsidiary of Ripple Labs.

Ripple Labs is the ultimate parent of the Ripple family of companies (together, "Ripple"). Ripple provides blockchain-based payments and custody services to enterprise customers, enabling them to integrate blockchain technology and digital assets into their businesses in an efficient, secure, and compliant way. Ripple issues a U.S. dollar-denominated stablecoin called Ripple USD, or RLUSD, through its subsidiary Standard Custody & Trust Company, LLC, a New York limited purpose trust company. Once chartered, the Trust Bank will conduct activities that complement Ripple's stablecoin and other payments businesses, including management of stablecoin reserves and related fiduciary services, as described in detail in Section II.C of the Trust Bank's confidential business plan (the "Confidential Business Plan"), provided at Confidential Exhibit B.

- (b) Describe any issues about the permissibility of the proposal with regard to applicable state or federal laws or regulations. Identify any regulatory waiver requests and provide adequate justification.

This Application is made pursuant to Sections 21 and 24(Seventh) of the National Bank Act ("NBA"), which provides for the formation of national banking associations "for carrying on the business of banking" upon the approval of the OCC, and pursuant to Section 92a of the NBA, which authorizes national banks to act as "trustee... or in any other fiduciary capacity in which State banks, trust companies, or other corporations which come into competition with national banks are permitted to act." The organizers are not aware of any issues concerning the permissibility of the Trust Bank or the proposed activities detailed in the Confidential Business Plan with regard to applicable state or federal laws or regulations, and no regulatory waivers are requested in connection with this application unless expressly set forth in this Application.

The proposed activities of the Trust Bank are described in Section II.C of the Confidential Business Plan provided at Confidential Exhibit B.

Section 72 of the NBA requires that, absent a waiver from the Comptroller, a majority of the directors must reside:

- 1) within the state in which the Trust Bank is located; or

2) within one hundred miles of the location of the office of the Trust Bank for at least one year immediately preceding their election.

The Trust Bank will operate under the direction of five directors, each of whom resides outside New York and further than one hundred miles of the location of the Trust Bank. Therefore, a residency waiver request is submitted as Confidential Exhibit H, which contains the justification for such request. All five directors are citizens of the United States.

- (c) List and provide a copy of all applications filed in conjunction with this proposal, such as applications for holding company, trust powers, branch offices, service corporations, and other subsidiaries.

As provided in 12 C.F.R. § 5.20(h)(7), the Confidential Business Plan as set forth in Confidential Exhibit B establishes the request for the Trust Bank to have full fiduciary powers.

- (d) When available, provide a copy of all public or private offering materials and the proposed form of stock certificate, including any required restrictive legends.

There will not be public or private offering materials. The proposed form of stock certificate to be issued to Ripple Labs is provided at Confidential Exhibit E.

- (e) Provide a copy of the proposed articles of association, articles of incorporation, or charter, and proposed bylaws.

Copies of the proposed articles of association and proposed bylaws are provided at Confidential Exhibits C and D, respectively.

- (f) Provide a copy of the business plan. The business plan should address, at a minimum, the topics contained in the appropriate regulatory agency's Business Plan Guidelines.

A copy of the Confidential Business Plan is provided at Confidential Exhibit B.

2. Management

- (a) Provide a list of the organizers, proposed directors, senior executive officers, and any individual, or group of proposed shareholders acting in concert, that will own or control 10 percent or more of the institution's stock. For each person listed, attach an Interagency Biographical and Financial Report, a fingerprint card, and indicate all positions and offices currently held or to be held with the institution's holding company and its affiliates, if applicable. Include the signed "Oath of Director" for each proposed director. For an FSA filing, provide a RB 20a Certification for each person listed.
