

INTRODUCTION

If you represent a bank or other interested party that is a stakeholder in a bank-related activity that you believe qualifies under CRA, you may use this form to request the OCC's review to verify qualification. This form is designed to accept information on only one activity. Confirmation of an activity for CRA purposes is not a determination of legal permissibility, and the OCC reserves the right to separately determine whether an activity is legally permissible. If you represent a financial institution, you must ensure that the activity is legally permissible before engaging in it. **You must submit a separate form for each activity** for the OCC's review.

To submit your request by email, download the Qualifying Activity Confirmation Request Form to your computer, complete the fillable form electronically, and include supporting documentation as attachments where indicated in the form. Complete the required fields before submitting the form. Save the completed form and email to CRA_Repository@occ.treas.gov. Do not submit more than one form per email, and do not include separate attachments in the email. Attachments must be added where indicated in the form.

Alternatively, you may download the Qualifying Activity Confirmation Request Form to your computer, print the form, and submit the completed form by mail, along with any attachments, to the following address: Office of the Comptroller of the Currency, Attention: Compliance Risk Policy, QA Submission Processing Unit, 400 7th St. SW, Washington, DC 20219. Forms mailed via postal service may delay receipt and processing of your submission. The OCC considers forms received when they are received and processed by the Qualifying Activities Submission processing unit. The OCC will review and determine qualification of one activity per form.
