### § 12.1 Authority, purpose, and scope.

(c) *Scope—(1) General.* Any security transaction effected for a customer by a national bank is subject to this part,

except as provided by paragraph (c)(2) of this section. This part applies to a national bank effecting transactions in government securities. This part also applies to municipal securities transactions by a national bank that is not registered as a “municipal securities dealer” with the Securities and Exchange Commission. (2) *Exceptions*—(i) *Small number of transactions.* The requirements of §§ 12.3(a)(2) through (4) and 12.7(a)(1) through (3) do not apply to a national bank having an average of fewer than 200 securities transactions per year for customers over the prior three calendar year period. The calculation of this average does not include transactions in government securities.

(ii) *Government securities.* The record-keeping requirements of § 12.3 do not apply to national banks effecting fewer than 500 government securities brokerage transactions per year. This exception does not apply to government securities dealer transactions by national banks. See 17 CFR 404.4(a).

(a) *Written notification.* A written notification disclosing:

A national bank may elect to use the following notification procedures as an alternative to complying with § 12.4:

(a) *Notification by agreement.* A national bank effecting a securities transaction for an account in which the bank does not exercise investment discretion shall give or send written notification at the time and in the form agreed to in writing by the bank and customer, provided that the agreement makes clear the customer's right to receive the written notification pursuant to § 12.4 (a) or (b) at no additional cost to the customer.

(b) *Trust transactions.* A national bank effecting a securities transaction for an account in which the bank exercises investment discretion other than in an agency capacity shall give or send written notification within a reasonable time if a person having the power to terminate the account, or, if there is no such person, any person holding a vested beneficial interest in the account, requests written notification pursuant to § 12.4 (a) or (b). Otherwise, notification is not required.

(c) *Agency transactions.* (1) A national bank effecting a securities transaction for an account in which the bank exercises investment discretion in an agency capacity shall give or send, not less than once every three months, an itemized statement to each customer that specifies the funds and securities in the custody or possession of the bank at the end of the period and all debits, credits and transactions in the customer's account during the period.

## § 12.7

(i) The customer's funds and securities in the custody or possession of the bank;

(ii) All service charges and commissions paid by the customer in connection with the transaction; and

(iii) All other debits and credits of the customer's account involved in the transaction.

(2) A national bank effecting a securities transaction for a cash management sweep service or other periodic plan as defined in §12.2(j)(2) shall give or send its customer a written statement, in the same form as under paragraph (e)(1) of this section, for each month in which a purchase or sale of a security takes place in a deposit account and not less than once every three months if there are no securities transactions in the account, subject to any other applicable laws and regulations.

(3) Upon written request of the customer, the bank shall give or send the information described in §12.4 (a) or (b), except that the bank need not provide to the customer any information relating to remuneration paid in connection with the transaction when the remuneration is paid by a source other than the customer.

### § 12.6 Fees.

A national bank may charge a reasonable fee for providing notification pursuant to §12.5(b), (c), and (e). A national bank may not charge a fee for providing notification pursuant to §12.4 or §12.5 (a) and (d).

### § 12.7 Securities trading policies and procedures.

(a) *Policies and procedures; reports of securities trading.* A national bank effecting securities transactions for customers shall maintain and adhere to policies and procedures that:

(1) Assign responsibility for supervision of all officers or employees who:

(i) Transmit orders to or place orders with registered broker/dealers;

(ii) Execute transactions in securities for customers; or

(iii) Process orders for notification or settlement purposes, or perform other back office functions with respect to securities transactions effected for customers. Policies and procedures for

personnel described in this paragraph (a)(1)(iii) must provide for supervision and reporting lines that are separate from supervision and reporting lines for personnel described in paragraphs (a)(1) (i) and (ii) of this section;

(2) Provide for the fair and equitable allocation of securities and prices to accounts when the bank receives orders for the same security at approximately the same time and places the orders for execution either individually or in combination;

(3) Provide for the crossing of buy and sell orders on a fair and equitable basis to the parties to the transaction, where permissible under applicable law; and

(4) Require bank officers and employees to report to the bank, within the deadline specified in SEC rule 17j-1 (17 CFR 270.17j-1) for quarterly transaction reports, all personal transactions in securities made by them or on their behalf in which they have a beneficial interest, if the officers and employees:

(i) Make investment recommendations or decisions for the accounts of customers;

(ii) Participate in the determination of the recommendations or decisions; or

(iii) In connection with their duties, obtain information concerning which securities are purchased, sold, or recommended for purchase or sale by the bank.

(b) *Required information.* The report required under paragraph (a)(4) of this section must contain the following information:

(2) The nature of the transaction (i.e. purchase, sale, or other type of acquisition or disposition);

(3) The price at which the transaction was effected; and

(4) The name of the registered broker, registered dealer, or bank with or through whom the transaction was effected.

(c) *Report not required.* This section does not require a bank officer or employee to report transactions if:

(2) The transaction is in mutual fund shares;

(3) The transaction is in government securities; or

(4) The transactions involve an aggregate amount of purchases and sales per officer or employee of \$10,000 or less during the calendar quarter.

(d) *Additional reporting requirement.* A national bank that acts as an investment adviser to an investment company is subject to the requirements of Securities and Exchange Commission (SEC) Rule 17j-1 (17 CFR 270.17j-1) issued under the Investment Company Act of 1940. SEC Rule 17j-1 requires an “access person” of the investment adviser to report certain personal securities transactions to the investment adviser for review by the Securities and Exchange Commission. “Access person” includes directors, officers, and certain employees of the investment adviser. The reporting requirement under paragraph (a)(4) of this section is a separate requirement from any applicable requirements under SEC Rule 17j-1. However, an “access person” required to file a report with a national bank pursuant to SEC Rule 17j-1 need not file a separate report under paragraph (a)(4) of this section if the required information is the same.

[61 FR 63965, Dec. 2, 1996, as amended at 73 FR 22243, Apr. 24, 2008]

### § 12.8 Waivers.

A national bank may file a written request with the OCC for waiver of one or more of the requirements set forth in §§ 12.2 through 12.7, either in whole or in part. The OCC may grant a waiver from the requirements of this part to any national bank, or any class of national banks, with regard to a specific transaction or a specific class of transactions.

### § 12.9 Settlement of securities transactions.

(a) A national bank shall not effect or enter into a contract for the purchase or sale of a security (other than an exempted security as defined in 15 U.S.C. 78c(a)(12), government security, municipal security, commercial paper,

## 12 CFR Ch. I (1-1-09 Edition)

bankers’ acceptances, or commercial bills) that provides for payment of funds and delivery of securities later than the third business day after the date of the contract, unless otherwise expressly agreed to by the parties at the time of the transaction.

(b) Paragraphs (a) and (c) of this section do not apply to contracts:

(1) For the purchase or sale of limited partnership interests that are not listed on an exchange or for which quotations are not disseminated through an automated quotation system of a registered securities association;

(2) For the purchase or sale of securities that the Securities and Exchange Commission (SEC) may from time to time, taking into account then existing market practices, exempt by order from the requirements of paragraph (a) of SEC Rule 15c6-1, 17 CFR 240.15c6-1(a), either unconditionally or on specified terms and conditions, if the SEC determines that an exemption is consistent with the public interest and the protection of investors.

(c) Paragraph (a) of this section does not apply to contracts for the sale for cash of securities that are priced after 4:30 p.m. Eastern time on the date the securities are priced and that are sold by an issuer to an underwriter pursuant to a firm commitment underwritten offering registered under the Securities Act of 1933, 15 U.S.C. 77a *et seq.*, or sold to an initial purchaser by a national bank participating in the offering. A national bank shall not effect or enter into a contract for the purchase or sale of the securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For purposes of paragraphs (a) and (c) of this section, the parties to a contract are deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment offering if the managing underwriter and the issuer have agreed to the date for

## Comptroller of the Currency, Treasury

## § 13.2

all securities sold pursuant to the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

### INTERPRETATIONS

#### § 12.101 National bank disclosure of remuneration for mutual fund transactions.

A national bank may fulfill its obligation to disclose information on the source and amount of remuneration, required by §12.4, for mutual fund transactions by providing this information to the customer in a current prospectus, at or before completion of the securities transaction. The OCC's view is consistent with the position of the Securities and Exchange Commission (SEC) as provided in a no-action letter dated March 19, 1979, which permits confirmations for mutual funds to refer to the sales load disclosed in the prospectus. See Letter to the Investment Company Institute, *reprinted in* [1979 Transfer Binder] Fed. Sec. L. Rep. (CCH) 82041 (Mar. 19, 1979). The OCC would reconsider its position upon any change in the SEC's practice.

#### § 12.102 National bank use of electronic communications as customer notifications.

(a) In appropriate situations, a national bank may satisfy the "written" notification requirement under §§12.4 and 12.5 through electronic communications. Where a customer has a facsimile machine, a national bank may fulfill its notification delivery requirement by sending the notification by facsimile transmission. Similarly, a bank may satisfy the notification delivery requirement by other electronic communications when:

- (1) The parties agree to use electronic instead of hard-copy notifications;
- (2) The parties have the ability to print or download the notification;
- (3) The recipient affirms or rejects the trade through electronic notification;
- (4) The system cannot automatically delete the electronic notification; and
- (5) Both parties have the capacity to receive electronic messages.

(b) The OCC would consider the permissibility of other situations using electronic notifications on a case-by-case basis.
